**Address:** Beirut, Lebanon

**Phone:** +961-76666903

**Email:** abbas.zayour12345@gmail.com

## CAREER OBJECTIVE

---

Dedicated Information Technology Intern with hands-on experience in maintaining and troubleshooting IT systems, providing technical support, and ensuring data security. I am seeking to leverage my technical skills, including web development, and problem-solving abilities in a challenging IT role where I can contribute to innovative IT solutions, enhance web-based platforms, and improve overall operational efficiency.

## WORK EXPERIENCE

---

**INFORMATION TECHNOLOGY INTERN / Hamoud University Medical Center** May 2024 –September 2024

- Assist in maintaining and troubleshooting hospital IT systems including hardware, software, and network infrastructure.
- Provide technical support to staff, resolving issues related to computer systems and applications.
- Perform routine system updates and software installations to ensure optimal performance and security of IT resources.
- Monitor and manage user accounts and access permissions in hospital information systems.
- Collaborate with senior IT staff on various projects, including system integrations and technology assessments.
- Ensure compliance with hospital policies and regulatory requirements related to IT and data security.
- Participate in team meetings and training sessions to stay current with industry trends and best practices.

## EDUCATION

---

**BACHELOR'S DEGREE IN COMPUTER SCIENCE**

2022 – 2025 / Beirut Arab University

## CERTIFICATION

---

- **INFORMATION TECHNOLOGY TRAINING PROGRAM**  
May 2024 – Jun 2024 / Hammoud University Medical Center
- IT Essentials – CICC0 & BAU University (Mar 2025)
- Introduction to Cybersecurity – CICC0 & BAU University (Mar 2025)
